I work as a fire fighter in the fire station in my city. Yesterday I arrived at the fire station at 6 a.m. I checked everything as usual. Our first call was at 8 o'clock. We were called to an accident on the ring road. The police helped us to get there fast. One car was on fire and another car was upside down on the road. Fortunately, the driver of the burning car was standing by the side of the road. However, the driver of the other car was trapped. We put out the fire quickly and got the second driver out. He was badly injured. Then at the same night we were called at 12 o'clock because there was a fire in a big mall in the middle of the city. When we got there, the fire was burning strongly. The heat was terrible and some people were trapped inside. We put out the fire and we could go into the building and saved all the people. But some people had to go to the hospital. Mr. Brown lived in a small seaside town. He and his wife worked in a bank in that town. They had a comfortable house near the sea. During winter they were quite happy there, but every summer a lot of their relatives used to want to come and stay with them, because it was a nice place for holiday, and it was much cheaper than staying in a hotel. Finally one June Mr. Brown complained to his intelligent friend Mr. Thomas who lived in the same place. " one of my wife's relatives intends to bring his wife and children and spend ten days with us next month again." " How do you prevent all your relatives coming to live with you in summer?" Mr. Brown said. " Oh, " Mr. Thomas answered "That isn't difficult. I just borrow money from all the rich ones and lend it to all poor ones. After that no one comes again. "
